BESPOKE OUTDOOR
SAUNA, STEAM & COLD PLUNGE

Crafted in Bali, where elemental ritual meets modern design

OCT 2025

ANCIENT FUTURE TECHNOLOGY

Fire, Water & Air — primal forces for peak performance.

Atmosa channels elemental power through modern design and precision engineering to create environments that sharpen resilience, accelerate recovery, and optimize physiology.

Handcrafted in Bali, our saunas, steam rooms, and cold plunges are built as tools for regeneration—refined, powerful spaces where heat, cold, and breath reset both body and mind.

ATMOSA

CUBE SAUNA

This Finnish outdoor sauna is characterized by its elegant and high-end aesthetic.

Edge to edge tempered glass window immerses users into Bali's majestic views.

Designed with scandinavian sauna wisdom. Brought alive with premium finish electric sauna heaters.

Hand-made in Bali with highest quality hard and softwoods. With a selection of amazing finishes.

SAUNA LAYOUTS

We offer a variety of layout options tailored to your unique setup, views, and the flow between your sauna, cold plunge, shower, and surrounding environment.

Please note that the smaller layout does not include a back entry option.

ATMOSA

COLD PLUNGE

Our ice bath is comfortable and deep with a stainless steel tub, hardwood enclosure and gorgeous lid.

It can reach below 4°C depending on usage and chiller chosen. Totally self cleaning. Deep enough to fully submerge!

Made in Bali with Iron Wood hardwood with a selection of finishes.

It comes in 2 sizes to suit your villa, retreat center or spa. Depending on size and use, we have 1 to 3 kW chillers available.
